“Australian Sparkling Burgundy as we know it was a creation of that extraordinary period from 1890 to 1910 which saw the flowering of native-born Australian nationalism and the emergence of “The Bulletin” school of writers like Henry Lawson and Banjo Paterson, not to mention the federation of the Australian colonies in 1901.

Australian Sparkling Burgundy is held by some to be an achievement that ranks with any of these.”

David Dunstan - The Age 15.6.93
